Jordan Nicholls

jordannicholls04@yahoo.com ❖ (559) 799-8525 ❖ Visalia, CA ❖ GitHub

Highly motivated software developer looking to use critical and creative thinking skills in a team environment. Experienced in developing and debugging complex software solutions in a collaborative setting and looking to add more skills to this experience.

EXPERIENCE

Crew Leader   **January 2022 - Present**
Coldstone Creamery   *Visalia, California*
- Led a team to successfully run one of the busiest locations in the state.
- Developed many industry-desired skills such as teamwork, strong communication skills, critical thinking and problem solving techniques, and excellent multitasking capabilities.

EDUCATION

Western Governors University   **September, 2023 - February, 2024**
BS, Computer Science   *Millcreek, Utah*
- When Fresno State was holding me back from achieving my goals, I swapped to Western Governors to graduate at nineteen.

Fresno State University   **August, 2022 - September, 2023**
BS, Computer Science   *Fresno, California*

College of the Sequoias/Eagle Glen Academy
September, 2020 - July, 2022
BS, Computer Science   *Visalia, California*
- Took 2 years worth (63 units) of classes during highschool in order to get ahead.
- Switched to homeschooling during the pandemic to take advantage of this opportunity.

TOP PROJECT(S)

Next Chess Move Machine Learning
- Used Python to create a machine learning model that predicts the next chess move at over 80% accuracy.
- Utilized libraries such as Keras and Tensorflow to develop an LSTM network model.

SKILLS

Languages: C++, C, Java, Python, SQL, HTML5, CSS, XML, JS, C#, Haskell, Assembly
